Office of the Prime Minister

Press Release

Prime Minister to address parliament on financial inclusion

This Thursday 27 March, 2014 the Prime Minister Dr. Pierre Damien Habumuremyi will present before members of parliament both chambers of Deputies and Senators.

On this day, the Premier will illustrate what has been done to develop services of banks and other financial institutions.

He will also detail the achievements, the hindrances of the sector as well as the projection to improve the financial sector.

The article 134 of the constitution provides that Prime Minister present to the Parliament on Government programs each quarter.

This presentation will be held in the Parliament Building in Kimihurura from 3pm.
